Capitol Site, Cebu City, Philippines

My expertise spans the end-to-end implementation of financial advice. From preparing documentation and coordinating providers to managing investment, superannuation, insurance, and pension transactions. I pride myself on accuracy, attention to detail, and ensuring every recommendation is executed smoothly while maintaining exceptional client service.

I work collaboratively with advisers, paraplanners, compliance teams, and product providers to deliver timely and high-quality implementation solutions that improve both client experience and business efficiency.
